MESSAGE

I am glad to know that Judo Federation of India (JFI) and Sports Authority of India (SAI) are jointly organising the 1st Khelo India Women's Judo League/Tournament in August/September 2022 in New Delhi.

I appreciate the efforts of the JFI and SAI for organizing the Tournament, which will showcase the sporting spirit of the players. I am sure organizing of such kind of Tournaments will encourage widespread participation in the sports and empower the girls by providing them with a perfect platform to showcase their talent and skills.

I extend my best wishes to the Organizers and the participants for the grand success of the Event.
