(During discussion on 5th February, JNS competition and training was discussed in Slovakia & Uzbekistan)

2. ACTC 2024 RECOMMENDATIONS

TRIALS OR RANKING COMPETITIONS CAN BE DECIDED BEFORE 31 MARCH TO SHORTLIST ATHLETES. Because calendar year ended on 31 DECEMBER AND OVER AGE PLAYERS CANNOT COMPETE IN THEIR RESPECTIVE AGE GROUPS IF WE SELECT THEM ON THE BASIS OF NATIONAL CHAMPIONSHIPS, ENDED BEFORE 31 DECEMBER,2023.

“ There is always budget problem during finalisation of ACTC meeting. They limit judo budget and cut many events by giving no performance reasons. It’s going to happen again therefore JFI should force SAI to approve all events of junior and cadets. If they want to cut events they can cut senior’ s budget after Olympics”.

Because there is no satisfactory performance at senior level. We have to focus on medal prospect weight categories especially in seniors. Athletes who are continuously failure should not be sent cost to government.
